

Our client is one of Europe's leading integrated healthcare provider. With 26 countries, the company now offers a Europe-wide unique area coverage and is an important contribution to comprehensive health care. This means diverse challenges and flat hierarchies in an international environment. For the location in Mannheim our customer is looking for a qualified:

Data Analyst Commercial Relations (m/f/d)

Job-ID: CF-00004061

Job-Ort: Mannheim

Main Tasks:

- Close collaboration with internal departments in order to improve data offering that could be sold or used
- Responsibility for a strategic data product, including maintenance, quality control and development to continuously meet customer needs
- Give analytical evidence as to why to do certain things, thereby challenging and contributing to decisions based on these insights
- Build a bridge between analytics on the one hand and commercial needs on the other hand, ultimately focusing on having an impact on the commercial success of the company
- Developing elegant solutions for complex problems
- With the possibility of working remotely 2-3 days a week

Your technical qualifications:

- Experience in data gathering, wrangling, analysing and visualising. You are familiar with state of the art analytical tools and programming languages.
- Very good Tableau skills, as well as programming skills (R/Python, SQL)
- You effectively synthesize, visualize, and communicate your ideas to others and can explain complex topics in simple terms
- Experience in working with medical information
- You have excellent interpersonal and communication skills and feel comfortable working in an international environment
- A high level of English proficiency
- Good knowledge of German is a plus

Your personal qualifications:

- You are a true team player and inspire others with your ideas

Our client offers:

You can expect interesting tasks in a modern, sustainable and international environment with individual development potentials. Other than an attractive salary, you can look forward to a reduced gym membership or using a job-bike.
