

Our client is one of Europe's leading integrated healthcare provider. With 26 countries, the company now offers a Europe-wide unique area coverage and is an important contribution to comprehensive health care. This means diverse challenges and flat hierarchies in an international environment. For the location in Mannheim our customer is looking for a qualified:

Commercial Data Steward (m/f/d)

Job-ID: CF-00004062

Job-Ort: Mannheim

Main Tasks:

- First point of contact for Commercial teams in case of data inconsistencies
- Mapping and matching of data across countries driving harmonization and automation
- Import of new data in coordination with local and central teams
- Independent development of control scripts
- Independent analysis of data inconsistencies and identification of the cause of the error
- Preparation of more complex analyses for commercial teams
- Go beyond solving individual problems to analyzing them to the point where root causes are fixed, research will include searching internal databases and performing web searches to validate the properties of a record
- With the possibility of working remotely 2-3 days a week

Your technical qualifications:

- Experience in databases, SQL, Azure, Tableau
- You enjoy tracking data streams and analyzing complex relationships to find errors
- Very good SQL Scripting, additional programming skills are welcome (R, Python)
- You are detail oriented, have good data entry, research, and analytical skills
- Experience in working with IQVIA data and/or medical information
- Very good knowledge of Tableau
- You have a very good command of English to be able to collaborate with international teams to solve problems
- Excellent interpersonal and communication skills and you feel comfortable working in an international environment
- A high level of English proficiency
- Good knowledge of German is a plus

Our client offers:

You can expect interesting tasks in a modern, sustainable and international environment with individual development potentials. Other than an attractive salary, you can look forward to a reduced gym membership or using a job-bike.
