

Our customer is a company in the health sector specialized in product specific e-commerce with headquarters in the Rhine-Neckar area. It is an innovative, successfully established and steadily growing company with over 400 employees and over 4 million customers in Germany.

For his location in Mannheim, our customer is currently looking for a qualified and motivated:

## Microsoft Dynamics NAV/BC Developer (m/f/d)

**Job-ID: CF-00003623**

**Job-Ort: Mannheim**

### Main Tasks:

- Programming and optimization of the ERP and logistic system Microsoft Dynamics NAV (2009 R2)
- Migration of the existing system to Microsoft Business Central (BC 14, on-premise)
- Creation of new modules and functionalities to optimize business processes
- Connection of external systems (connection of the online store, web services for logistic clients, interfaces to the conveyor system, etc.)
- Quality assurance of software development through code reviews

### Your technical qualifications:

- Completed studies in the IT environment, (business-)computer science, information technology or a comparable education
- Sound professional experience in working with Microsoft Dynamics NAV and C/AK
- Good knowledge of SQL (MSSQL) and relational databases
- Knowledge of design patterns, clean code and agile development methods (Scrum)
- Good knowledge of C#, .NET framework and object oriented is an advantage
- Experience in working with different frameworks and tools (Git) is an advantage
- Fluent in English and German

### Our client offers:

- Flexible working hours with one day of home office per week
- Start-up flair with regular (networking) events
- Well-lit offices with a football table, Nintendo Switch, relax lounge and the choice between an open-plan or 4-person office
- Modern tech equipment (height-adjustable desks, mobile phone, free choice of IDEs and work equipment such as mouse, keyboard, etc.)
- Flat hierarchies, communication as equals, first name basis and no dress code
- Air-conditioned offices, located near the city center and the main train station, but also near green areas
- Individual training and development opportunities
- Fresh fruit, drinks and coffee
- Exclusive employee discounts
